

You're Invited to Attend a Milwaukee Area German Stammtisch!

What's a stammtisch? It's an old German tradition for a Gasthaus or café to set aside a table for a group of people who regularly get together to visit, talk, play cards and have social and political discussions. It's informal ... anyone can attend with no official membership necessary. We don't have a group leader and there isn't an official program. And it's "dutch treat" ... you pay for what you drink and eat. The only "rule" is that everyone speaks German. It doesn't matter what your skill level is... just come and have fun!

What if my German isn't so hot? That's OK. All levels are welcome. We have a mix of bilingual Germans, university students, foreign nationals and Americans who want to improve their German conversation skills. It's an informal atmosphere where we talk about travel, books, movies, news, politics... you name it.

What if I don't know anybody? That's OK, too. Just come and you'll meet lots of other people who, like you, are interested in German language and culture.
